

## **Fulfill orientation requirements for the Lower Extremity Injuries Program of Care**

### **Lower Extremity Injuries Program of Care Recorded Information Session**

Participation in an information session is a requirement to deliver the Lower Extremity Injuries Program of Care.

You can now **access the recorded web-based information session or audio podcast** if you have not yet attended a session and would like to offer the Program of Care to your patients. Be sure to complete the on-line registration page including the four questions listed at the bottom of the page.

To access the **web-based information session recording**:

- Log on to:
  - <http://events.startcast.com/events/launch.asp?EventID=5168FEB2-FAC0-4BCD-A0D0-F0736C5A0A83>

OR

To access the **audio podcast recording**:

- Paste this link in to your podcast aggregator to subscribe to the podcast:
  - [http://events.startcast.com/events/164/xml/B0010\\_001\\_011\\_ProgramOfCare\\_20080129.xml](http://events.startcast.com/events/164/xml/B0010_001_011_ProgramOfCare_20080129.xml)

If you have any problems accessing the archived session, please e-mail [webconfsupport@bell.ca](mailto:webconfsupport@bell.ca) or click on the help tab at the bottom of the presentation page to submit a ticket for technical support.

For questions related to the Program of Care itself, please call the WSIB Health Professional Access Line at **1-800-569-7919** or **416-344-4526**.
